The Ohio Community Development Finance Fund (CDFF) will assist community-based, non-profit development organizations undertaking housing, economic development, and commercial revitalization projects. The Pre-Development Program funds feasibility studies, environmental review, legal research, engineering/architectural drawings and site plans, business plans, market studies, and zoning and permit fees. The Economic Development Program funds community-based non-profits that create long-term, private-sector jobs. The Linked Deposit Program provides access to affordable financing from local lenders for housing and economic development projects. Funds will assist 15 projects benefitting 368 individuals.

Ohio CDC Association	CDC Training Program	\$150,000
-----------------------------	----------------------	-----------

The Ohio Community Development Corporation Association (OCDCA) will conduct affordable housing and community/economic development training sessions for non-profit community development corporations and local governments state-wide. The proposed training sessions will cover housing, community and economic development, microenterprise, and individual development accounts. OCDCA will use \$60,000 from registration fees and private lender donations to match the Ohio Housing Trust Fund award.

Beach House	TOPP	\$49,000
--------------------	------	----------

Beach House will use funds to complete repairs needed to address health/safety issues at the emergency shelter including: removal of four obsolete chimneys and completion of repairs to the roof; soffit and gutter

Ohio Housing Trust Fund Awards by County (SFY 2015 – SFY 2017)

repairs/replacement; installation of a crash bar gate in backyard; replacement of railings on front steps; extension of privacy fence at the wheelchair ramp; and tuck pointing of the emergency shelter, as needed.

COHHIO	TOPP	\$165,000
---------------	------	-----------

COHHIO will continue providing technical assistance to local housing and service providers regarding Ohio's Landlord Tenant Law and Fair Housing, and administer the Youth Housing Advocacy Program. COHHIO will provide outreach to homeless and transitional youth service providers to identify housing issues and services for the population. Five workshops will be provided to youth housing providers and other stakeholders to better meet their needs. Three technical assistance opportunities will be presented to youth housing providers and stakeholders to address best practices in serving homeless youth. COHHIO will also coordinate and assist in carrying out the Point-in-Time (PIT) and will complete the Housing Inventory Count (HIC). Three technical assistance opportunities will be presented to youth housing providers and stakeholders to address best practices in serving homeless youth. COHHIO will also provide two training sessions on incorporating RHYMIS into HMIS

COHHIO	TOPP	\$325,000
---------------	------	-----------

COHHIO will coordinate Balance of State Continuum of Care (BOSCO), and coordinate and assist in carrying out the Point-in-Time (PIT) count to count the number of sheltered and unsheltered homeless persons. This includes training persons throughout the state who will conduct the count in their local regions. In addition, COHHIO will complete the Housing Inventory Count (HIC). In addition, projects and technical assistance related to Coordinated Entry and compliance with HUD's guidance on this subject are also part of COHHIO's responsibility. COHHIO will continue providing technical assistance to programs via changes resulting from Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) implementation. COHHIO will review program-level performance of CoC grantees through implementing the performance management plan and reviewing data in the Annual Performance Reports (APR) as well as systems-level performance. COHHIO will provide staffing for the CoC application

Eden	TOPP	\$19,000
-------------	------	----------

The Emerald Development and Economic Network (EDEN) is the owner and property manager of the Norma Herr Women's center, which is the only emergency shelter in Cuyahoga County for homeless women. The Center serves over 900 women per year. Each night, an average of 160 women are provided with a safe place to sleep and a respite from the streets. Grant funds will be used to replace the center's wheelchair lift, which has ceased functioning. The lift allows mobility-impaired guests at the Center full access to the first floor of the building, including the main entrance, bathrooms, dining room and dorms. The program will benefit 900 persons.

Eden	TOPP	\$26,300
-------------	------	----------

Grant funds will be used to replace a broken waterline at the 160-bed Norma Herr Women's Shelter. The repair will restore water service to toilets, showers, laundry room and kitchen on the west side of the facility. The program serves 962 women annually.

Habitat For Humanity	TOPP	\$200,000
-----------------------------	------	-----------

Habitat for Humanity of Ohio (HfH) will distribute \$180,000 to eligible HfH affiliates in Ohio. In turn, the local HfH affiliates will construct or rehabilitate 20 single family homes benefitting 60 persons. Each benefitting family will have an income at or below 50% of the area median income and will provide sweat equity in conjunction with the local affiliates efforts. This \$200,000 grant will leverage \$1,220,000 of other funds, labor, and materials.

Ohio CDC Association	TOPP	\$130,000
-----------------------------	------	-----------

The AmeriCorps VISTA program was created as a partnership between OCDCA and the Corporation for National and Community Service (CNCS). The program will partially fund ten "Cost Share" VISTA positions for local community development corporations. Funds will be used for living allowances and training and technical assistance for VISTA placement sites. The created positions will support activities aimed at assisting low-income households and

Ohio Housing Trust Fund Awards by County (SFY 2015 – SFY 2017)

foreclosure prevention, including housing development, education and counseling, emergency home repair, and supportive housing programs. The program will leverage \$683,895 in other funds, and the CNCS will create 16 additional VISTA positions. The proposed program will assist with the creation of 300 affordable housing units and provide counseling to 625 individuals.

Ohio CDC Association	TOPP	\$76,800
-----------------------------	------	----------

The Assets Ohio Individual Development Account (IDA) program is a collaboration between OCDCA and seven (7) nonprofit partner organizations throughout the state. The Assets Ohio program provides low-income households with down-payment assistance match for IDA accounts and homeownership education services, including financial planning, credit counseling, and homebuyer education. Historically Assets Ohio IDA program graduates report higher levels of income and employment, when compared to program dropouts, and the overwhelming majority of respondents retain ownership of home purchased with IDA assistance. The program will leverage \$76,840 in other funds and assist 28 households with down-payment assistance match and homeownership education services. Participation in the program is limited to first-time low-income homebuyers.

SFY 2016

Ohio CDC Association	CDC E.D. Grants	\$500,000
-----------------------------	-----------------	-----------

The Ohio CDC Association is a statewide organization of Community Development Corporations that engages in capacity building, advocacy and public policy development to foster socially and economically healthy communities. OCDCA will receive \$450,000 to administer the Ohio Housing Trust Fund CDC Set-Aside Microbusiness Development Program. OCDCA will award grants to non-profit agencies with a community development focus for the provision of training/technical assistance and operating assistance. Business loans will either be awarded by the non-profits or OCDCA. To qualify, a business must have 5 or fewer employees and low- and moderate-income ownership.

Ohio Comm. Dev. Fin. Fund	CDC E.D. Grants	\$1,450,000
----------------------------------	-----------------	-------------

The Ohio Community Development Finance Fund (CDFF) will assist community-based, non-profit development organizations undertaking housing, economic development, and commercial revitalization projects. The Pre-Development Program funds feasibility studies, environmental review, legal research, engineering/architectural drawings and site plans, business plans, market studies, and zoning and permit fees. The Economic Development Program funds community-based non-profits that create long-term, private-sector jobs. The Linked Deposit Program provides access to affordable financing from local lenders for housing and economic development projects. Funds will assist 15 projects benefitting 368 individuals.

Ohio CDC Association	CDC Training Program	\$150,000
-----------------------------	----------------------	-----------

The Ohio Community Development Corporation Association (OCDCA) will conduct affordable housing and community/economic development training sessions for non-profit community development corporations and local governments state-wide. The proposed training sessions will cover housing, community and economic development, microenterprise, and individual development accounts. OCDCA will use \$60,000 from registration fees and private lender donations to match the Ohio Housing Trust Fund award.

COHHIO	Homeless Crisis Response Program	\$125,000
---------------	----------------------------------	-----------

Coalition on Homelessness and Housing in Ohio will provide homelessness prevention assistance to agencies within the balance of state's continuum of care through its Coordinated Entry Project.

COHHIO	Target of Opportunity	\$200,000
---------------	-----------------------	-----------

COHHIO will provide Balance of State Continuum of Care (BOSCO) Coordination through staffing all CoC meetings and work groups and reviewing and monitoring program and system level performance. COHHIO will prepare the BOSCO annual CoC application and establish annual performance criteria. COHHIO will train persons throughout

Ohio Housing Trust Fund Awards by County (SFY 2015 – SFY 2017)

the state to conduct Point in Time (PIT) counts and to correctly report on Housing Inventory Chart (HIC). COHHIO will provide necessary TA as requested by ODSA to build capacity and to increase the use of best practices to end homelessness. COHHIO will provide numerous trainings on homelessness and housing topics throughout the state.

COHHIO	Target of Opportunity	\$165,000
---------------	-----------------------	-----------

COHHIO will conduct quarterly Preservation Network meetings; disseminate 500 pieces of Rental Rights/Fair Housing (RR/FH) information; provide 12 trainings to advocates on RR/FH; operate a hotline that provides 750 callers with written information, 250 callers with targeted information, and 5 callers identified as having "impact" issues with a systemic solutions. COHHIO will also conduct quarterly meetings of the Runaway Youth and Homeless Act (RHYA) providers and stakeholders and assist them with HMIS integration; provide 6 trainings on prioritizing youth in homeless planning to Continuums of Care; provide 2 trainings on improving youth Point in Time counts; facilitate 2 collaboratives on youth housing and services.

Habitat For Humanity	Target of Opportunity	\$200,000
-----------------------------	-----------------------	-----------

Habitat for Humanity of Ohio will distribute \$180,000 to eligible Habitat for Humanity affiliates in Ohio. In turn, the local affiliates will construct or rehabilitate 20 single family homes benefitting 60 persons. Each benefitting family will have an income at or below 50% of the area median income and will provide sweat equity in conjunction with the local affiliates' efforts. This \$200,000 grant will leverage \$1,220,000 of donated funds, labor, and materials.

OCCH	Target of Opportunity	\$100,000
-------------	-----------------------	-----------

In cooperation with the Ohio Department of Health Ohio Capital Corporation for Housing will utilize \$100,000 of OHTF Target of Opportunity funds to reduce lead based paint hazards for eight households with incomes at or below 50% of the Area Median Income.

Ohio CDC Association	Target of Opportunity	\$96,300
-----------------------------	-----------------------	----------

The Assets Ohio Individual Development Account program is a collaboration between OCDCA and seven nonprofit partner organizations throughout the state. The Assets Ohio Program provides low-income households with down payment assistance match for IDA accounts and homeownership education services; including financial planning, credit counseling, and homebuyer education. The program will leverage 96,300 in other funds and assist 28 households with down payment assistance match.

Ohio CDC Association	Target of Opportunity	\$130,000
-----------------------------	-----------------------	-----------

The Americorps vista program was created as a partnership between OCDCA and the Coporation for National and Community Service. The program will fund ten "cost-share" VISTA positions for local community development corporations. Funds will be used for living allowances and training and technical assistance for VISTA placement sites. The positions will support activities aimed at assisting low-income households with foreclosure prevention, housing development, education and counseling, emergency home repair, and supportive housing programs.

SFY 2015

Ohio CDC Association	CDC E.D. Grants	\$635,000
-----------------------------	-----------------	-----------

The purpose of the Ohio Microenterprise Program is to provide funding for community development corporations to further develop a local delivery system that encourages development, provies low and moderate income households with access to capital for business development and self employment.

Ohio Comm. Dev. Fin. Fund	CDC E.D. Grants	\$1,850,000
----------------------------------	-----------------	-------------

The Ohio Community Development Finance Fund (CDFF) assists community-based, non-profit development organizations undertaking housing, economic development, and commercial revitalization projects through the Pre-

Ohio Housing Trust Fund Awards by County (SFY 2015 – SFY 2017)

Development Program, Economic Development Program and Linked Deposit Program. Integrated Services	Housing Development Assistance Program	\$473,250
----------------------------	----------------------------------------	-----------

McArthur Senior Living Apartments is a non-housing credit rental project involving the new construction of four single-story buildings with 12 garden-style units located in the Village of McArthur, Vinton County. All units will be restricted to households 55 years of age or older. OHFA will be monitoring eight restricted units. The project was originally funded during the 2012 Housing Development Gap Financing Round. OHFA was notified in 2016 that the original owner Three Rivers Housing Corporation was dissolving. Unfortunately, the McArthur Senior Project had not been completed, though all available funds had been expended. Three Rivers Housing Corp. turned the keys over to Hocking Valley Bank (lender) who identified Integrated Services for Behavioral Health (ISBH), Inc. as a possible purchaser. This organization has worked with OHFA on prior projects and contacted the Agency immediately.
