Plan Description:

The Ohio Department of Development (ODOD) developed a need-based allocation of the Ohio Neighborhood Stabilization Program (NSP) award to local areas using a replication of the nation-to-state U.S. Department of Housing and Urban Development (HUD) formula. The HUD formula calculates states' allocations on the basis of foreclosures, subprime loans, loans in default and delinquent loans all slightly modified with local vacancy rates in high-cost loan areas. Need-based allocation data that could be used in the allocation formula were purchased from First America Core Logic (FACL). The dataset contained a monthly inventory of total area loans, foreclosures, subprime loans, default and delinquent loans, as well as monthly counts of loan originations from January 2005 through July 2008. The data sets were provided by loan type (Alt-A, BC, Jumbo Prime and Conforming Prime) and zip code geography. Secondary needs data were compiled from HUD foreclosure risk indicators by Census block group, Home Mortgage Disclosure Act (HMDA) foreclosure data by county, and 2000 Census housing units by county, place, zip code, and block group. The count of 2000 Census housing units in Census block groups was used to geographically reconstitute zip code foreclosure data to counties and sub-county jurisdictions. United States Postal Service (USPS) vacancy estimates and high-cost loan areas from the HMDA data were used in the 10 percent constraining expression. The first task in arriving at a need-based allocation was to replicate the nation-to-state formula. Data points were derived from the above data sets for Ohio's 88 counties, 35 entitlement cities and those Ohio cities eligible to receive Ohio Small Cities Community Development Block Grant (CDBG) Community Development Program funds (jurisdictional level). The local area allocation factor was computed as the sum of the weighted products of the factors in parts (a) through (e) above. The initial allocation factors were adjusted to total 100% on a statewide basis.

Recovery Needs:

ODOD will allocate \$116,859,223 of Neighborhood Stabilization Program (NSP) funds as follows:

Administrative Funds

ODOD will allocate approximately 10 percent of the total allocation for administration, with approximately 60 percent of the NSP administrative dollars allocated to award recipients.

Rental Reserve

ODOD will award 25 percent of Ohio's NSP (\$29,214,900) allocation as a rental reserve through an Affordable Rental Housing Initiative. The Affordable Rental Housing Initiative will encourage the redevelopment of demolished, foreclosed or vacant structures into affordable rental housing serving households with incomes at or below 50 percent of the area median income and provide additional resources to both the Ohio NSP direct award recipients, where vacant rental properties are abundant, as well as in rural communities through a nonprofit organization or a public housing authority.

Balance of Funds Eligible Applicants

ODOD will compile a list of the 22 entitlement NSP direct recipients, 21 other entitlement cities and Ohio's counties and cities eligible to receive Ohio Small Cities CDBG Community Development Program funds and rank the jurisdictions in order of need based on the formula allocation outlined above.

ODOD will determine, based on the ranking, if and how much additional funds should be allocated to direct NSP recipients by comparing the amount of funds awarded to the NSP direct recipients by HUD to the amount of need determined by ODOD's need calculations.

The amount of funds to be allocated to NSP direct recipients by ODOD will then be subtracted from the state of Ohio's balance of funds (\$116,859,223 minus administration minus rental reserve).

The remaining funds (\$116,859,223 minus administration, minus rental reserve, minus direct NSP additional allocation) will be awarded to Ohio's other eligible jurisdictions, based on ODOD's need calculations, and above \$700,000, an amount selected to ensure impact at the local level.

If the calculations determine that an eligible jurisdiction's need results in an amount less than \$700,000, ODOD will form collaborative regions based on geographic location and current working relationships. The jurisdictions combined into a region will be required to determine a lead unit of local government. The lead will be required to expend the Ohio NSP funds on eligible activities in the area(s) of greatest need in that region. If a region(s)/jurisdiction is not interested in participating in the Ohio NSP, the funds allocated to that region/jurisdiction will be reallocated to the other Ohio NSP eligible applicants.

The Ohio NSP funds, except those awarded for the Affordable Rental Housing Initiative, will be awarded through an application process to assist persons/families with incomes at or below 120 percent of the area median income.

Eligible applicants, including the lead in a region, will then be required to submit an application to express interest in participating in the program; indicate administrative capacity; and provide documentation that the Ohio NSP funds will be used in the areas of greatest need in the jurisdiction/region.

The NSP formula application will be distributed to the interested, eligible applicants on or about January 15, 2009, with applications due on or about February 27, 2009, and awards will be made on or about April 1, 2009.

ODOD reserves the right to recapture and reallocate Ohio NSP funds that are not used in a timely or appropriate manner.

Eligible Activities

The following activities will be eligible for funding:

Progress Toward National Objective Targets

Overall Progress Narrative:

The State of Ohio Department of Development Office of Housing and Community Partnerships (OHCP) has completed its review of the Neighborhood Stabilization Program (NSP) applications to ensure appropriate targeting of funds and adequate administrative capacity, and has awarded funds to 50 sub-recipients. Many of the sub-recipients have completed the tier I Environmental review and have begun working on specific projects. A number of projects are underway or completed, and OHCP is currently receiving numerous requests for draws of funds. The State of Ohio is well on its way in meeting its personal milestone of having 25% of the grant funds committed by the end of September. The state is on target to meet the 18 month obligation of funds requirement by NSP.
